Past Social Events at the Club

**THE 4th OF JULY
 PARADE**

The club once again partici-
 pated in the annual Port-Jeff

 the photos below.

 our trailer ready and checking out
 the sound system.

Once again Eddie "D" gathered up the METS fans and motored
 in to Citi Field for Polish Night on August 24th . Despite the cold
 and drizzly night the Mets won and everybody had a fantastic time.

Pre-Game activities: the famous Henjhl Polish dancers entertaining
 the crowd as seen on one of the giant screens at Citi field.

Results of the club's membership survey !

Over the past month, a "yellow" box was visible at the regular membership meetings. The membership was invited to fill out a survey and deposit the form in the box. The survey asked the membership on their views on different aspects on the club. Also for any suggestions they might have. The results will be posted at the regular club meetings starting in December.
